

## INTRAMURALS

We offer a variety of sport intramurals during lunch times as the year progresses.

- September/October – Volleyball
- November/December – Basketball
- February/March – Handball
- April/May – Futsal (i.e. Indoor soccer)

All students are welcome to make teams and they will participate in either a junior or senior division. It is encouraged that every Panther comes to watch and participate.

# MOSCROP ATHLETICS

## INTRODUCTION

Moscrop Secondary offers a variety of sports that allow students to explore new activities. Our goal is to provide students with a fun atmosphere that encourages extracurricular social and physical activity.

## SPORTS COUNCIL / EXECUTIVES

The Moscrop Sports Council is a student-run club that organizes volunteer opportunities, advertisements, and student involvement in all sports and games at Moscrop. Students can join the council to become a part of Moscrop's athletic volunteering culture.

The council's Gr. 12 leaders are chosen annually by our Athletic Director after submitting an extensive application. The four to six students selected become Sports Council Executives. These students run meetings at lunch and oversee the score table during games. They assist the Athletic Director during their Senior PE Leadership block with various tasks such as planning intramurals.

## BNW → Zones → Provincials

All our sports teams compete in the BNWSSAA league. Depending on how a team does during regular season determines their placement in the BNW district. If a team places high enough (e.g. top 2-3) they advance to Zone play. Here, they'll play against the top teams from schools in the other Districts of our Zone, The Fraser North (Coquitlam, Port Moody, Port Coquitlam, Pitt Meadows, Maple Ridge). If a team places high enough, they can play at Provincials against the top teams in the province.
