

After a school immunization clinic

Grade 9 students: Did you have your routine vaccines?

This year, students in Grade 9 were offered routine vaccines at school immunization clinics. If we gave you vaccines at the clinic, we entered those vaccines into your electronic immunization record.

If you missed getting your vaccines at school, you can get the vaccines at another school immunization clinic in Grade 10. If you prefer, you can make an immunization appointment with a family doctor, nurse practitioner, pharmacy, or local public health unit. All routine vaccines are free in British Columbia.

Note: Not all family doctors, nurse practitioners, or pharmacies offer vaccines. Make sure to call ahead and check.

To make an immunization appointment at a public health unit:

- Call 604-702-4906 if you live in Mission, Abbotsford, Chilliwack, Agassiz, and Hope.
- Call 604-476-7087 if you live in any of the other communities in Fraser Health.

Make sure your immunization records are up to date

If you have had or get any routine vaccines outside of a school clinic, such as by a family doctor, nurse practitioner, or pharmacy, please do the following:

- Contact the health care provider who immunized you and ask for a copy of the immunization record.
- Report these immunizations to Public Health online by going to FraserHealth.ca/immunizationform.

For more information, please call your local public health unit or visit our website: FraserHealth.ca/immunize.
