MOSCROP UNICEF- Happy Easter! Moscrop Unicef is hosting a school-wide egg hunt this week! 50 eggs are hidden around the school, so be quick to find them! For valid entry please Direct Message our Instagram with proof of the egg as well as a little research on the hidden fun fact inside for it to count. The winner will receive a grand Easter prize! Happy Hunting! *Moscrop UNICEF/J. Tadd*

1 SPOT LEFT FOOD SAFE LEVEL 1! – The First payment received in person, either cash or cheque only!

If anyone is interested in taking the Food Safe Level 1 course taking place on **April 8th and 9th**, 1 spot has opened up. Please see the office ASAP for payment options and bring your form to any Home Ec. teacher in room 329.

FIRST COME FIRST SERVE.

Here are the details if you missed them:

Taking place in Moscrop library from 12:00 pm to 3:30 pm – students MUST attend both days. This course is open to all students from Grades 8-12. **Please note, this is a certificate issued by the local Health Authority.** To be successful, students need to achieve 70% on an exam with 50 multiple choice questions. This is a closed book exam with a time allotment of 1 hour. Students will need sufficient reading and comprehension skills to be successful in this course. For example, students should be earning (or have earned) a minimum standing of Developing in a regular Grade 8 Science course. The cost for the course is **\$50.00** (includes instruction, workbook, and certificate from the Fraser Health Authority). Permission forms may be picked up outside room 329 or room 323. Bring your permission form and the receipt of payment or reference # to Room 329. Forms/receipts can be given to any Home Ec. teacher in Room 329.

Food Safe certification is highly sought by employers throughout Western Canada. It is designed to teach food handlers about the causes and prevention of food-borne illnesses. Due to the serious consequences of food-borne outbreaks, many employers in the food service industry are requiring their staff to take the Food Safe program. Many employers now insist you have this training before applying for a job. Students receive a certificate upon successful completion of the course. *Moscrop Home Economics Department*
