FASHION SUSTAINABILITY CLUB

Hello Moscrop, today is April 24th which some of you are aware is Denim Day. This important day traces back to 1999 when an Italian supreme court decided to dismiss a sexual assault case simply because the victim wore tight jeans, this led to the creation of Denim Day and has sparked national campaigns to spread awareness and educate others on this topic along with challenge the misconceptions surrounding sexual assault. Check out @fsmoscrop or denimday.org for more information. We hope to see you all in jeans today. *Fashion Sustainability Club/Mr. Mehta*
