Dear Moscrop Families,

Welcome back! This letter is to invite you to Moscrop's Meet The Teacher Night on Thursday September 19 at 5:30 p.m.

We would like to invite you to join us on Thursday, September 19 for our Study Skills session and annual Meet The Teacher Night. The Study Skills session will begin in the Multi-purpose Room at 5:30 pm. Topics to be covered will include "Effective Strategies for Successful Reading" and "Study Skills for Math".

The Meet The Teacher portion of the evening will begin at 6:00 p.m. in our Multi-Purpose Room. There will be a short introduction and then you will be guided through a compacted version of your child's timetable from 6:15 p.m. – 7:30 p.m. You will have the opportunity to meet each of your child's teachers and hear a short overview of the course in each period. Although we encourage students to accompany their parents, we have provided you with a blank timetable on the reverse side of this letter should that not be possible. Maps will be available at the school on the evening. Please have your child fill in their courses, teachers' names, and room numbers for you to follow. Please note that this evening is an opportunity for parents to meet teachers informally and not an opportunity to give individual feedback. There will be a formal Parent/Teacher Conference Evening on February 6. We look forward to meeting you and hope that you find the evening informative.

Sincerely,
Administration Team,

Andy Chin
