PRIDE WEEK

HAPPY PRIDE WEEK MOSCROP! Come out to the rainbow crosswalk at the beginning of lunch today (Monday) to see a pride dance performance by dance leadership while the Pride flag is raised over our school as a symbol of Moscrop's support for and celebration of LGBTQIA+ students and staff. Look for the Pride flag posters around the school all week to learn more about various queer identities and be entered in a draw to win prizes! – Ms. Green

Did you know that:

- the rainbow pride flag, originally created in 1979 is an emblem of celebration and empowerment for the queer community. In 2018, the new progress flag was created adding the pink and blue stripes of the transgender flag and the brown and black stripes to represent queer people of color.
- Vancouver and Montreal were the first Canadian cities to host an official Pride march and festival in 1979? Don't miss out on celebrating this year. The Burnaby Pride Festival will take place at Civic Square Metrotown On July 26.
- the term "two-spirit" was first coined at the Third Annual Inter-tribal Native American, First Nations, Gay and Lesbian American Conference in Winnipeg in 1990.** Two-Spirit refers to a person who embodies both a masculine and feminine spirit. Indigenous languages have many words and expressions for people we would now call Two-Spirit. Cree contains at least six!
- as of 2018, BC residents can legally be recognized as non-binary in their gender identity. This was a significant legal achievement for people who identify as non-binary or genderqueer. In place of a F or M on their driver's license, non-binary people can place an x.
- same sex marriage became legal in BC in 2003. In that same year, Michael Leshner and Michael Stark became Canada's first legally married gay couple. The 2016 census reported that over 24,000 married couples in Canada were homosexuals. **Look for the Pride flag posters around the school to learn more about various queer identities and be entered in a draw to win prizes!**

ATHLETE OF THE MONTH...MAY

What a year it has been in athletics! Banners, Provincials, and LOTS to be proud of.

Moscrop athletics had over 575 students participate in a team this year - amazing!

Our final Spring teams are wrapping up their Provincials season and we are looking forward to next year already!!

Congratulations to the athletes who were nominated for Athlete of the Month for May:

- Blessie Acera - Junior Netball
- Julie Ansell - Track & Field
- Saasha Barn - Senior Netball
- Katharine Doerksen - Senior Netball
- Alvin Li - Bantam Boys' Volleyball
- Eason Tang - Badminton
- Benji Wong - Track & Field

And, finally, **congratulations** to both: **Katharine Doerksen, Gr 12, and Eason Tang, Gr 9**, for being awarded the Senior and Junior Athlete of the Month for May!!

Katharine has been described as one of the best netball players the coach has ever coached. She is an incredibly complete, dominant player. Her amazing athleticism is matched by her very high on-court IQ, making her an unstoppable force on defense. Her understanding of the game and acute anticipation skills allow her to dominate in the defending end, getting her hands on countless tips and interceptions. When she is on the court, she is the difference-maker. She is a committed, positive, and supportive teammate who makes those around her better. Her high level of commitment and effort is contagious, and she has led her Senior Netball Team to win both the Burnaby/New West banner, as well as the provincial championships. She is also a member of the BC Under-18 team and Canadian National U-18 team that recently participated in the Youth Commonwealth Games. Katharine is simply an amazing, all-around athlete and is very deserving of this award.

Eason won all his Badminton games for the month of May and was promoted to the Senior Boys team. He is one of the top-ranked male players in the zone and is the number one ranked player on our Moscrop Junior team. Eason has taken on a leadership role within the Junior team, demonstrating his initiative and sportsmanship. He is respectful and courteous to all players, coaches and adults that are in attendance. Eason has a calming demeanour and always remains composed under stressful circumstances. His badminton skills and badminton IQ are unmatched. He always comes to both juniors and seniors team practice times. Eason and his doubles partner finished first place at the individuals tour, second place at the Fraser North individual tournament. Eason is always well prepared and ready to work hard at practice and games.

Katharine and Eason now need to see Ms. Dato in room 313 to claim an AOM t-shirt, Sport Chek gift card, and have a photo taken for the awards cabinet in the foyer. **Congratulations! -Ms. Dato**
