APPLYING TO POST- SECONDARY

Go to www.apply.educationplannerbc.ca.

This website allows you to apply to most public BC institutions (and some that are out of B.C.). See document: “How to Apply to College & University”

This contains:

- info about how to submit an application
- how to send your transcript of grades to the post-secondary school(s) to which you apply
- important dates and deadlines
- post-secondary info sessions.

APPLYING TO COLLEGE

COLLEGE APPLICATIONS

- Colleges operate on a “First Come - First Served” basis so early application is very important (especially for limited intake programs).
- Applying early also means you secure an earlier course registration date in June/July.
- Even if you plan to attend university, it is a good idea to apply to one college this fall as a back-up to your university application.
- If you would like to apply to a college for September 2026 admission, these local colleges will start accepting applications early:
 - **Langara College, Douglas College, KPU....
October 1st open for application**

APPLYING TO UNIVERSITY

UNIVERSITY APPLICATIONS

Each university (and different programs of study within each university) may have different application deadlines and entrance requirements.

Please refer to the university's websites for detailed info.

UBC	Dec 1, 2025 - Application Deadline for Major Entrance Scholarship Candidates January 15, 2026 - Application deadline for Sept 2025 start
SFU	Dec. 15, 2025 – Deadline to apply for Early Admission and Entrance Scholarships January 31, 2026 - Application deadline for all programs, for Sept 2026 start (*must complete STS)
UVIC	January 31, 2026 - Application deadline for Sept 2026 start
CAPILANO UNIVERSITY	Application deadlines vary by program. https://www.capilanou.ca/admissions/

BEFORE YOU APPLY

Get details about your program

- Does it have specific admission requirements in addition to the general admission requirements?
- When does it start?
- When is the application deadline?
- How long does the program take to complete?
- What is the application fee?
- What are the tuition fees?
- What courses will you need to take?
- Do any of the courses have prerequisites?
- Will you be attending full-time or part-time?

BEFORE YOU APPLY

Things to consider:

- See if you meet the general admission requirements.
- If not, speak to your high school counsellor or academic advisor at the post-secondary institution about your next steps.
- Attend an info session (in-person and/or virtual) to learn more about your selected program and school
- Choose a program of study

WHERE TO APPLY

Go to the www.apply.educationplannerbc.ca website.

This website allows you to apply to most public BC institutions. Follow the steps outlined on this website to apply.

You will need the following information:

- Permanent mailing address and telephone number(s)
- Emergency contact name and telephone number(s)
- Email addresses
- Social Insurance Number (SIN)
- Personal Education Number (PEN) (if you attended high school in BC)
- Names and dates of high schools attended

HOW DO THE COLLEGES/ UNIVERSITIES GET MY MARKS?

Send your transcripts electronically by going online to the Ministry of Education's Transcripts and Certificate website:

<https://www.StudentTranscripts.gov.bc.ca>.

This website lets students to download and securely send transcripts to participating post-secondary institutions quickly and conveniently! First 25 are free!

Failure to submit a transcript on time may delay a student's acceptance to post-secondary!

- Personal Profile tips - <https://you.ubc.ca/applying-ubc/how-to-apply/personal-profile/>

UBC – choosing a program

- Must make a 1st and a 2nd choice
- Can choose a mix of campuses (e.g. Vancouver and Okanagan programs)
- If admitted to 1st choice, you will NOT be considered for choice #2
- If on hold for #1, then you WILL be considered for #2
- Choose carefully
 - e.g. if choosing a competitive program like The Faculty of Science or Applied Sciences, a good 2nd choice would be a less competitive program like Forestry or Land & Food Systems
