#### **\*\* COURSE VERIFICATION FORMS - Please read!**

All students in grades 8-11 received a Course Verification form last week. This form is a confirmed list of courses requested for next year. This is an opportunity for students to: (1) check for any errors/omissions, (2) indicate if you are planning to take a summer session course, and (3) make any final changes to your course requests for next year. Such changes will not be accepted in September, so students are asked to take this opportunity to carefully consider their courses for next year, research course requirements for post-secondary (if applicable), and make your changes on the Course Verification form. This form needs to be completed and signed by a parent/guardian, and returned to Student Services (room 317) by the deadline on Friday, April 24<sup>th</sup> at 3:00pm.

*\*Please note: if you applied for an honours/AP/Leadership or Specialty course, that course will be listed on your form IF you were accepted.*
