

Instructions for the Online Post Secondary Institutions (PSI) Selections Form

The only students who should submit this form are in Grade 12 for the 2014/15 school year, expecting to graduate this school year, and applying to a PSI for September 2015 admission. Returning graduates who complete additional courses in the 2014/15 school year may also complete the PSI Selections Form.

Students may make their PSI Selections between **October 8th** and **July 15th** this school year.

The following 2 points address the submission deadlines associated with this form:

- **Interim** transcript information will be forwarded to BC Electronic PSIs and the OUAC in early-May if students submit these Section 1 selections by **May 1**.
Note: Students who select **University of Alberta (U of A)** in Section 3 will also have their interim transcript provided to this PSI. U of A will request BC students to complete the PSI Selections Form at the time they apply since they have requested interim transcript data be provided in November 2014 and March 2015.
- **Final** transcript information will be forwarded by July 30 to all PSIs selected from Sections 1, 2 and 3. Students must complete the PSI Selections Form by July 15.
- If students select BC Electronic PSIs and/or OUAC by May 1, 2014, their transcript information will also be forwarded automatically in late July.
- **Section 1** of the PSI Selections Form allows students to select one or both of BC Electronic PSIs and the OUAC. In addition to this, students may make a **maximum of 6** more selections from Sections 2 and 3. There is no fee for these selections.
- If a specific PSI is not listed in Sections 1, 2 or 3, please send an email with the name and address of the PSI you wish to be added to: Student.Certification@gov.bc.ca
- Note: Students should not select PSIs from Sections 2 and 3 unless they are actually applying to these institutions. Students may make additional selections at any time before the July 15 deadline.
- Students are not able to delete their selections once they have been submitted. Therefore, it is important that students choose carefully. Students who use all their selections and then change their minds will be required to complete a *Transcript Request Form* **after July 1** and pay for transcripts to be sent to additional PSIs. www.bced.gov.bc.ca/transcript/

The information on the following pages will help you guide your students through the process.

Accessing the online PSI Selections form

Students access the online PSI Selections form from the Student Secure Web at www.bced.gov.bc.ca/exams/tsw/tsw/student/. **Schools do not have access to this site.** This is a personal document that requires students to provide authorization for the ministry to release their information to outside institutions.

- Students who do not yet have a SSW account will need to create one at the SSW website prior to gaining access to the PSI Selections form. Students must enter their First Name, Last Name and Date of Birth exactly as it is currently recorded at the Ministry of Education, along with their Personal Education Number (PEN).
- If a student can't access their account and it has been more than 1 year since they logged in, they need to recreate their account by using the "Create Account" link.
- If it has been less than 1 year since a student last logged into their account, they should use the "Forgotten your password?" link. An email will be sent with their log-in information.
- If some students can no longer access the email account they provided, please email a list of student names and their PENs to Student.Certification@gov.bc.ca. Temporary passwords will be provided.

Step 1: Students log into their account through the *Student Secure Web* and select the link "*Post Secondary Institution Selections*"

The screenshot shows the Student Secure Web interface. At the top, there is a dark green header with "EdAccess" on the left and "Government of British Columbia" and "Ministry of Education" on the right. Below the header, the text "Student Secure Web" is displayed on the left and "TSW-1017" on the right. The main content area is divided into two sections: "TRAX (Transcript and Examinations)" and "General". The TRAX section contains three links: "Provincial Examination Results", "Unofficial Transcript of Grades", and "Post Secondary Institution Selections". The General section contains three links: "Change Password", "Change Email Address", and "Logoff". At the bottom, there is a dark green footer with "Top", "Copyright", "Disclaimer", "Privacy", and "Feedback" links.

Step 2: Students should **carefully read the “Important Notes”** before clicking the “**Select PSIs**” link.
