GRADE 12 MINI CAPSTONE PROJECT AND PRESENTATIONS REMINDERS/INFORMATION

Reminder to all grade 12s that you should be continuing to work on your Mini-Capstone projects for Graduation Transitions and that your final presentations will be on April 19th. All grade 12s will present that day during the last block of the newly implemented 5-period day. Mrs. Dato will be giving workshops to prepare you for your presentation in the first two weeks of March. Stay tuned for exact dates and times. Here are some things to ask yourself:

1. Are you keeping track of what you are completing along the way? This documentation will be what you SHOW at your presentation (pictures, notebooks, photos, designs, screen shots, videos, audio recordings...)
2. Are you feeling on track? Do you need to adjust your goal slightly, or your timeline for completion?
3. Have you handed in Module 1 and 2 successfully? (no presentations will be scheduled for students who have not completed the previous modules)
4. How can you be creative in your presentation? What kind of visual aides will you create / use?
5. Are you having troubles? Feeling lost? Go see Mrs. Dato if you have any questions at all and remember to access your mentors as support for your Mini-Capstone - you don't have to do it alone!

GOOD NEWS

ATHLETE OF THE MONTH...FEBRUARY - most of the basketball teams completed their seasons in February, and the gymnastics team has been preparing for the Provincials here at Moscrop from March 8-10). However, there was one other team that competed in February - the wrestling team. For the month of February, two students were nominated for Athlete of the Month: congratulations Serena Dong (Grade 10), and Matteo Lucarelli (Grade 11) for their nominations.

Congratulations to Matteo Lucarelli for being awarded as the Athlete of the Month for February!!

Matteo was the only athlete on the Moscrop team; however, he competed through Burnaby Central. He missed all of last season with a knee injury and really didn't have a chance to compete. This season, Matteo was eager to learn and wanted to excel. He needed to travel after school to make Burnaby Central practices that started at 3:30pm.

Matteo won the 70kg weight class at the zone qualifications (Bby/NW/Tri-Cities) in a dominate fashion to qualify for BCs. He went 4-0 to take his weight class.

The Provincials took place this past weekend (March 1-3) in Port Alberni. Matteo competed in his first provincials as a grade 11 student and was 1 win from top 6. It was a great experience for him. Now that he has been to the show hopefully he will elevate his training and try for a medal next year!

Matteo now needs to see Mr. Spracklin in the PE Office to claim his t-shirt, Sport Chek gift card, and have his photo taken for the awards cabinet in the foyer.
