Moscrop students will have their Graduation Dinner Dance event (Prom) on June 14th which will be followed by a Dry Grad event for all to attend at THE METRO in New Westminster. This event will be an evening of activities, food and fun which will be drug and alcohol free. We recognize the challenges that are facing our youth, so it is important to be able to provide them with a safe alternative to continue their celebration.

As a key part of our community, we are hoping that you can contribute to an event that will help keep our students them safe.

We are actively seeking donations. The cash donations will be used to cover the costs of the Dry Grad Event such as (Facility Rental, Security, Transportation, Entertainment, Food, etc.) Any products/services will be used as prizes for students during Dry Grad.

The success of our event and fundraising efforts depends on the generosity of you and the community of our Grade 12 parents, merchants and businesses. We can't thank you enough for support Moscrop Secondary Class of 2019.
Sincerely

Laurie Sheehan
Chair, Dry Grad Parent Group
