

# Social Responsibility

Specific aspects in need of strengthening	Extending	Specific aspects of strength
	<p><b>Contributing to Community &amp; Caring for the Environment</b></p> <p>I can take thoughtful actions to influence positive, sustainable change for others and the environment. I can analyze complex social or environmental issues from multiple perspectives.</p>	
	<p><b>Solving Problems Peacefully</b></p> <p>I can clarify problems or issues, generate multiple strategies, weigh consequences, compromise to meet the ideas of others, and evaluate actions.</p>	
	<p><b>Valuing Diversity</b></p> <p>I take action to support diversity and defend human rights and can identify how diversity is beneficial for my community, including online.</p>	
	<p><b>Building Positive Relationships</b></p> <p>I build and sustain positive relationships with diverse people. I show empathy for others and adjust my behaviour to accommodate their needs.</p>
