FACT SHEET – SCHOOL FEES

The changes introduced through the Ministerial Order and Regulation state that a school board may charge fees to students for:

- purchase of paper, writing tools, calculators, student planners, exercise books, & other supplies & equipment for a student's personal use
- rental of musical equipment for a student's personal use; students may use their own instrument instead of renting.

The Amendments State that in order to charge fees for goods and services, the school board must have policy and procedures to facilitate the participation of students who might otherwise not be able to participate because of financial hardship.

School Boards are permitted to require students to provide appropriate personal clothing for school activities, such as gym strip, footwear, and outerwear, and personal safety equipment.
