NEW! TRUTH & RECONCILIATION DAY is fast approaching. Are you ready to get engaged in this learning opportunity?
Mr. Lintott

Monday, January 6, 2020: Did you know that in Canada there are more than 50 Indigenous languages? This year's Truth and Reconciliation Day will be held on January 16, 2020.

Tuesday, January 07, 2020: Did you know that approximately 6000 children died at residential schools? We all have a role to play as allies to Indigenous Peoples.

Wednesday, January 08, 2020: Despite many years of activism and protests calling for change, almost 20 percent of Indigenous communities still have issues with their drinking water. How can we work towards solving this problem? Our Truth and Reconciliation Day is centered around the idea that we are on a journey towards reconciliation.

Thursday, January 09, 2020: Did you know that approximately 40 Indigenous communities don't have schools? On Truth and Reconciliation Day, grade 10 students will learn more about the history and culture of Indigenous Peoples.

Friday, January 10, 2020: Did you know that the last residential school closed in 1996? That's only 24 years ago. On Truth and Reconciliation Day, we will learn how we can be a better ally to Indigenous Peoples.

GOOD NEWS

ATHLETE OF THE MONTH...DECEMBER. As the Fall season wrapped up in early December, the Winter Season started. All six basketball teams, wrestling, and the Table Tennis team saw action in December and many athletes had good performances, demonstrated excellent dedication, and had great sportsmanship. For the month of December, four students were nominated for Athlete of the Month: congratulations to Ahmed Abou Elenin (Grade 12...Wrestling), Emilija Veljkovic (Grade 12...Sr Girls Basketball), Serena Hu (Grade 11...Sr Girls Basketball), and Benson Chu (Grade 10...Jr Boys Basketball) for their nominations.

Congratulations to Benson Chu for being awarded as the Athlete of the Month for December!!

Benson played very well the month of December on the junior boys' basketball team. He led the team in scoring for the month and led the team with his dedication and sportsmanship. For his efforts and ability, Benson was named to the All-Star team at the Arch Bishop Carney Tournament in the beginning of the month. As a testament to his strong play, Directors from the Arch Bishop Carney Tournament mentioned that Benson would have been the MVP if Moscrop had made the finals. Benson does a great job of leading his team during play by handling the press from other teams. He has great focus, and a very level head for what is sometimes a frustrating position. Benson has had a great season thus far, and we wish Benson and the rest of his team the best the rest of the way.

Benson now needs to see Mr. Spracklin in the PE Office to claim his t-shirt, Sport Chek gift card, and have his photo taken for the awards cabinet in the foyer.

A HUGE CONGRATULATIONS to our two competitive Ski Racers who competed in their first race in Whistler this weekend for great results right out of the gate (pardon the pun!). **Victoria Ustyuogova, Grade 10** came in fourth place, and **Annie Vincalek, Grade 10**, came in 11th place out of 28 racers. GENERAL

NEW! ARE YOU A GRADE 10, 11 OR 12 STUDENT INTERESTED IN BUSINESS?

The Burnaby Board of Trade's *Women's Business Success Network* (WBSN) is partnering with the Burnaby School District on a unique event designed to support students in exploring the diversity of career and professional opportunities available in our business community.

On February 7th the WBSN and Burnaby School District will be holding a ***Career and Leadership Exploration World Café*** to connect students in grades 10, 11 and 12 with professional women from diverse career paths including STEAM, Entrepreneurship, and Leadership. **15 students from Moscrop will be chosen.**

WBSN and BBOT members along with dozens of students will participate in a "world café" style event, with groups of students moving from table to table for career discovery discussions with the women stationed at each. This fast-paced and engaging event will provide professionals with an opportunity to encourage and inform students about their fields and will allow them to discover and consider sectors and careers they may have discounted or been unaware of.

The WBSN exists to support women in all types of business, and the WBSN committees have prioritized these events as an opportunity to support the next generation of leaders in Burnaby.

ARE YOU A GRADE 10, 11, OR 12 STUDENT INTERESTED IN BUSINESS?

The Burnaby Board of Trade's *Women's Business Success Network* (WBSN) is partnering with the Burnaby School District on a unique event designed to support students in exploring the diversity of career and professional opportunities available in our business community.

On February 7th the WBSN and Burnaby School District will be holding a ***Career and Leadership Exploration World Café*** to connect students in grades 10, 11 and 12 with professional women from diverse career paths including STEAM, Entrepreneurship, and Leadership. **15 students from Moscrop will be chosen.**

WBSN and BBOT members along with dozens of students will participate in a "world café" style event, with groups of students moving from table to table for career discovery discussions with the women stationed at each. This fast-paced and engaging event will provide professionals with an opportunity to encourage and inform students about their fields and will allow them to discover and consider sectors and careers they may have discounted or been unaware of.

The WBSN exists to support women in all types of business, and the WBSN committees have prioritized these events as an opportunity to support the next generation of leaders in Burnaby.
