GRADE 12 STUDENTS: Applications are now open for many BC colleges and universities. If you're thinking of applying to a college, either as a first choice or as a back-up plan, they operate on a "First Come - First Served" basis so early application is very important (especially for competitive or limited entry college programs; they fill up fast). And applying to college early means you secure an earlier course registration date in June/July. So don't delay, apply today! It doesn't take long - just go to this website for more information: www.apply.educationplannerbc.ca . This website allows you to apply to most public BC institutions.

GRADE 12 STUDENTS: Applications are now open for many BC colleges and universities. If you're thinking of applying to a college, either as a first choice or as a back-up plan, they operate on a "First Come - First Served" basis so early application is very important (especially for competitive or limited entry college programs; they fill up fast). And applying to college early means you secure an earlier course registration date in June/July. So, don't delay, apply today! It doesn't take long - just go to this website for more information: www.apply.educationplannerbc.ca. This website allows you to apply to most public BC institutions.

HOUSE OF COMMONS PAGE PROGRAM: Are you in Grade 12 and do you speak French and English fluently? Are you interested in attending a university in the Ottawa area? If so, the **House of Commons Page Program** may be for you! House of Commons Pages are selected from high schools across Canada every year. These students work in the House of Commons as a page for one full year (e.g. August 2021 to August 2022) while studying at a university in the Ottawa area. If you are interested in this program or have more questions, go to: ourcommons.ca/page . This year’s deadline for application is **November 8, 2020**. (Mrs. Vancic)

GENERAL

NEW! ATTENTION ALL STUDENTS AND PARENTS - ESPECIALLY GRADE 12's!!!!

Next week we are launching the third annual **Poinsettias and Holiday Wreath fundraiser** to support the Grade 12 end of the year After Grad.

The plants and wreaths are high quality and last for months. They are ideal for the home, gifts, or for adding a wonderful winter theme to the office.

By purchasing plants and wreaths, not only will you be spreading holiday cheer, you will also be supporting this year's Grad Class with their After-Grad Party. This fundraising will reduce costs to students and families for this event.

We will provide a link to the on-line order form in next week's bulletin and on the school website. By placing your order and paying online we are reducing the risk of COVID exposure while still supporting our fundraising efforts. Order forms are also available at the office.

The deadline for order placement is **November 18th**. Delivery will be arranged for pick up at the school on **December 2nd**.
