## GENERAL

**NEW** Bullying exists in our schools, workplaces, homes, and over the Internet. This year, on Wednesday, February 24<sup>th</sup>, wear something pink to symbolize that we, as a society will not tolerate bullying anywhere. Take the message and remember it all year long.

It is so important that victims of bullying know they are not alone and there is help and support available. Wearing a pink shirt on this day sends a strong message to them that others care. Often, the simple act of wearing a shirt can start conversations – conversations can be a big step towards healing and helping!

There is also the International Day of Pink! This event is on April 14<sup>th</sup> and it is a day is dedicated to the cause against Bullying, Discrimination, Homophobia, Transphobia, and Transmisogyny around the world. You can celebrate diversity by wearing a pink t-shirt and participating in activities in your workplaces, schools, and communities.

## GENERAL

### NEW KINDNESS WEEK KINDNESS TREE

“No act of kindness, no matter how small, is ever wasted.”-Aesop This week is Kindness Week! To start off this event, on February 22, we will be creating our own post-it note tree filled with random acts of kindness, whether big or small. Through the duration of the day, feel free to drop by the glass wall by the main entrance and write on a post-it an act of kindness someone has given to you and stick it on our tree. This tree will stay up for the whole week, as a reminder of all the kindness we can all give to one another. Ms. Greenside

Bullying exists in our schools, workplaces, homes, and over the Internet. This year, on Wednesday, February 24<sup>th</sup>, wear something pink to symbolize that we, as a society will not tolerate bullying anywhere. Take the message and remember it all year long.

It is so important that victims of bullying know they are not alone and there is help and support available. Wearing a pink shirt on this day sends a strong message to them that others care. Often, the simple act of wearing a shirt can start conversations – conversations can be a big step towards healing and helping!

There is also the International Day of Pink! This event is on April 14<sup>th</sup> and it is a day is dedicated to the cause against Bullying, Discrimination, Homophobia, Transphobia, and Transmisogyny around the world.
