These are extraordinary times. We believe you have remarkable stories to tell, as you reflect on your years at Moscrop, present accomplishments and challenges, and years ahead as young adults in a changing society. Although graduation may take on a different form this year, we do not want to forego the important role class valedictorian has in representing and addressing the graduating class of 2021.

If you would like to nominate a grade 12 student to present a speech (virtually), or would like to nominate yourself, please read the criteria, roles/responsibilities of the Valedictorian, complete the form (posted in GRADE 12 GRAD INFO IN TEAMS) and submit Via email to **Ms. Niccoli-Harris by Wednesday, April 14th.**

If these students meet the criteria listed on the form after a background check of transcripts and references, they will be permitted to run in the election, and contacted about the steps moving forward. Nominees will prepare a two-minute mini-speech, after which their grade 12 peers will vote.

Students will log onto office teams on Wed., April 28th, view the speech excerpts, and **vote** for the individual they believe would best represent the graduating Class in this prestigious role. An email with more information about the election process will follow.
