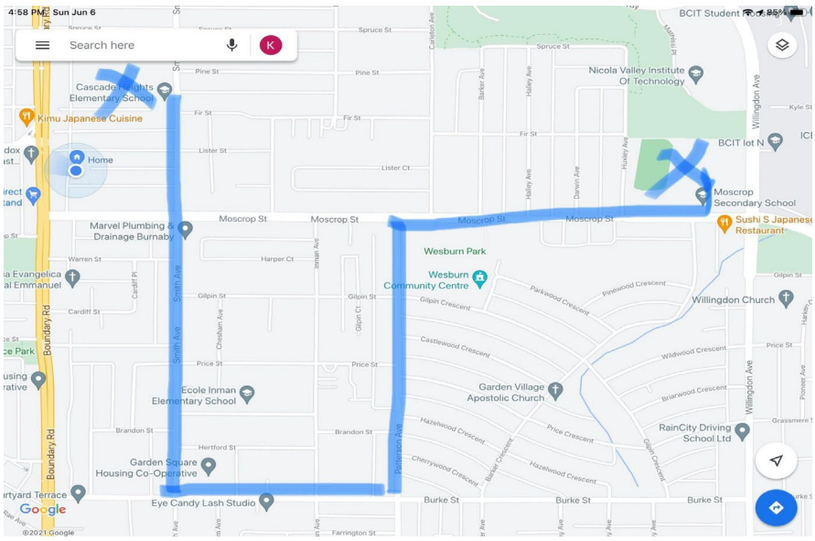
GRAD CAR PARADE EVENT
To the Class of 2021 students, families and Moscrop community:

Due to these unprecedented times, it has been difficult for Grade 12 students to find different ways to celebrate their senior year. On **Friday, June 18th, 2021 at 6 PM,** Grade 12 students and the Safe Dry Grad Committee have planned a Grad Car Parade Event. Following the current COVID-19 restrictions, this event has been coordinated with the Moscrop Secondary administration and District Constable to ensure the safest route. Below we have attached the route so families of grade 12 students and the surrounding community can stand along the route as the Grade 12 students drive by with high spirits! The event will be led by police cars and the intersections along the route will be blocked so the parade of cars will be uninterrupted.

Below we have discussed some details regarding time, location and other important factors for the grad car parade.

Route



Important Details
Grade 12 students are expected to arrive by *5:00 PM* with their rides at the *Cascade HeightsElementary School parking lot*. RCMP will be there along with Dry Grad members to help get everyone set up.

Decorations
Students can decorate their cars with appropriate items such as streamers, signs, writing on their windows, balloons etc. The Safe Dry Grad Committee will be providing helium balloons and swag bags for the students as well.

Swag Bags
Students will be given a Senior Swag Bag at the meeting location before the students drive in the parade. The bag includes lots of goodies that the Safe Dry Grad Committee was able to get together. The custom T-Shirts will be handed out at the Cap and Gown Event, June 24th and 25th.

Common Concerns
What if a grade 12 student is not able to drive?
No worries! The students can also ride with their parents or family through the route

Can my family drive through the route behind me?
Unfortunately, to ensure we have no difficulties with spacing and road blockage, we request that families/friends do not come in another car. The exception is unless they are IN the vehicle OF a Grade 12 student.

What if I am not able to attend the event, can I still get a swag bag?
Grade 12 students who are not able to attend can pick up their swag bags the following week. The office will announce when the bags are available to pick up.

Congratulations Class of 2021!

Tax receipts will be issued for donations over $20.The money will be put toward the following items: Decorations and items for grad events, grab bag items (t-shirts, shaker bottles, misc items), plaques, and outdoor car parade event (set up/decorations items). We are also requesting any parents within the school to donate decorations, Grad Grab bags items, gift cards, or if family businesses can supply items - again that would be awesome.
