To all Parents/Guardians:

Burnaby School District has launched a new online portal for parents to sign/give consent to all necessary school permission forms.

THIS FORM NEEDS TO BE FILLED OUT FOR ALL STUDENTS IN GRADES 8-12, BY DECEMBER 15, 2021.

A parent/guardian will need to follow the attached procedures to sign/give consent for all necessary forms online for each child attending Moscrop Secondary. If a family has more than one child at Moscrop, they must request a link to fill out all the forms for each child separately.

These electronic consent forms will be kept for the duration your child/children attend Moscrop and you will not need to fill out the forms each year. We kindly request that you fill out these permission forms by December 15.

We appreciate your cooperation to complete these forms and if you have any questions, please call the school office: 604-296-6895.

Sincerely,

Mr. C. Sandor
Principal
