Fun fact:

The first New Year's celebration dates back 4,000 years. Julius Caesar, the emperor of Rome, was the first to declare Jan. 1 a national holiday. He named the month after Janus, the Roman god of doors and gates. Janus had two faces, one looking forward and one looking back. Caesar felt that a month named after this god would be fitting.

ATHLETE OF THE MONTH...DECEMBER - As the Fall season wrapped up in December, the Winter Season started. The six Basketball teams, Table Tennis, and Ski/Snowboard teams saw action in December (Curling hadn't had a game yet) and many athletes had great performances, demonstrated excellent dedication, and had fantastic sportsmanship. For the month of December, 6 athletes were nominated for Athlete of the Month...congratulations to the following athletes for being nominated:

- Kareem Abdullah (Grade 8...Bantam Boys Basketball)
 - Eliana Kim (Grade 8...Bantam Girls Basketball)
 - Isabella Ge (Grade 8...Bantam Girls Basketball)
 - James Tse (Grade 12...Sr Boys Volleyball)
 - Leanne Chang (Grade 12...Senior Girls Basketball)
- Mr. Tyfting (Amazing Moscrop Counselor...Staff Intramural Basketball)

Congratulations to James Tse for being awarded as the Senior Athlete of the Month for December & Eliana Kim for be awarded as the Junior Athlete of the Month for December!!

1. **James** was a well-rounded athlete who demonstrated excellent citizenship. He willingly accepted taking on the position of setter when others did not want to do the job. He was an outstanding all-around player. Not many teams can say that their setter had the highest kill efficiency percentage and was one of the leaders for blocks on the team. Plus, he demonstrated a never give up attitude. he got to so many balls that most would assume were going to lose the point and he willingly dove to keep the ball of the ground. He had lightning speed and agility, quick reflexes, and never give up attitude which saved the team so many points. James earned an all-star award at the district finals.

He was very humble. At the end of the practices he willingly helped take down the nets while others are rushed off. He didn't put himself in the limelight but rather just did his job. James pushed through injuries to support his team in their bid to qualify for provincials. In addition to being a key member of the Sr. Boys team. James demonstrated a high level of commitment to the team and showed a high level of sportsmanship by recognizing the good plays and efforts of his teammates and opponents

James was a total team player who put the team goals first. From a coach's point of view he was great to work with because he was so coachable and willingly accepted feedback. He always put the team first. James was a key contributor to the team's overall success and performed very well at the provincials, keeping the team in games against the top teams in the province. Well done James!

2. **Eliana Kim** has shown commitment and dedication by showing up to all the practices and games for the Bantam Girls Basketball team. Eliana has a positive attitude and wants to improve upon her current skill set. She comes prepared and is always ready to face the challenges. Eliana is a talented

athlete that shows amazing skills on the court, scoring half of the team’s points in a game. She is easy to coach and works well with others. Eliana has great sportsmanship and is respectful on the court towards the opponents and the officials. This is a great start in high school basketball, and Eliana will continue to grow as a player in the years to come. Well done Eliana!

James & Eliana now need to see Mr. Spracklin in the PE Office to claim their t-shirt, Sport Chek gift card, and have their photo taken for the awards cabinet in the foyer.
