GENERAL

TODAY IS WELLNESS WEDNESDAY! The Student Mental Health club would like to share our new theme of the month -- **FINDING JOY!** December is upon us and while it's usually a busy and festive time, it can be a difficult one too. We'd like to encourage you to take some time out of your day to think about big or little things that bring you happiness. Could be a cup of coffee or a long walk with your dog. Whatever it is, it's **important to reflect on what makes you happy and to find more ways to bring joy into your life!**

FRIDAY, DECEMBER 9TH IS GENOCIDE PREVENTION DAY. The day was created to raise awareness about the international crime of Genocide, commemorate victims of Genocide, and work towards prevention. Understanding the causes of genocide and genocidal conflicts is vital to preventing them. Genocide Studies students have created displays and posters that are around the school and will be **showing a film on Friday at lunch**, to increase understanding and raise awareness about this day, and Genocidal histories. We **invite you to use the QR codes, attend the film screening, and check out the displays to learn more.** Thank you.
