Burnaby offers a Youth Train in Trades - Baking program. Learn to be a professional baker as part of your high school graduation program.

In-person information session on **January 26, 2023 from 5:00pm - 6:30pm. Location: Vancouver Community College exact room TBA**

VCC staff will present a brief overview of the program, answer any questions you may have along with host a tour of the baking department facilities during class hours so that prospective Youth Train in Trades students are able to observe students working in the labs. This Foundation program is usually scheduled from **July to December** and students achieve their post-secondary **Level 1 Technical Training** certification and **24 Grade 12 Elective credits towards graduation.**

Note: Burnaby School District pays for the tuition, you only pay for your supplies and equipment.

This is a great way to make post-secondary career training affordable! Please contact:
