GENERAL

ATHLETE OF THE MONTH...DECEMBER - As the Fall season wrapped up in December, the Winter Season started. The six Basketball teams, Table Tennis, and Ski/Snowboard teams saw action in December (Curling hadn't played a game and Gymnastics did not have any competitions) and many athletes had great performances, demonstrated excellent dedication, and had fantastic sportsmanship. For the month of December, 5 athletes were nominated for Athlete of the Month...congratulations to the following athletes for being nominated:

- Suhas Bollepalli (Grade 8...Bantam Boys Basketball)
- Moukthika Devarapalli (Grade 8...Bantam Girls Basketball)
 - Ferida Baraba (Grade 8...Bantam Girls Basketball)
 - Mina Veljkovic (Grade 12...Senior Girls Basketball)
- Katharine Doerksen (Grade 10...Junior Girls Basketball)

Congratulations to Suhas Bollepalli for being awarded as the JUNIOR Athlete of the Month for December!!

Congratulations to Mina Veljkovic for being awarded as the SENIOR Athlete of the Month for December!!

Suhas has been a strong player for the Bantam Boys Basketball team. In the month of December, he was consistently the top scorer and scored 20 points or more each game. Suhas has a competitive spirit but is humble. He is a very committed player, who has shown much dedication to his own development. He also shows many leadership qualities both on and off the court, through his words and actions.

Mina is the captain of the Sr Girls Basketball team and is the team leader on the court. She is a consistent scorer both in the paint and at the 3-point line. She is relentless on defense and gets rewarded with steals that lead to easy transition points. She has the respect of the team and encourages her teammates to work hard. A prime example was when the team was down by 20 points at one of the games, she rallied the team to come back to within a single score of tying the game. For her efforts, Mina was selected to the All-Star team at the Killarney tournament.

Suhas and Mina now need to see Mr. Spracklin in the PE Office to claim their t-shirt, Sport Chek gift card, and have their photo taken for the awards cabinet in the foyer.

SPANISH CLUB Hola Moscrop! Some say **piñatas** came to Mexico with the Spanish conquistadors, after Marco Polo brought the idea to Europe from China, where he witnessed animal sculptures being filled with seeds and hit with sticks. Others say **piñatas** were a tradition already practiced by the Aztecs, who decorated clay pots and filled them with ornaments as an offering to an Aztec god once they spilled to the ground. If you'd like to swing at some colourful **piñatas** filled with candy, come get your tickets in the foyer **today** and **Fri. Jan. 13!** *Ms. Zamfirescu*

WELLNESS WEDNESDAY – JANUARY 25th Hey Moscrop! Welcome back to Wellness Wednesdays! This month's **theme is physical health and nutrition!** A fact to keep in mind is that there is no perfect diet for everyone. People are all unique. Subtle differences in genetics, body type, physical activity and environment can affect what kind of diet you should follow. You shouldn't compare what you eat to others; instead, experiment with foods and find what works for you. *Mental Health Club / Ms. Vancic*
