GENERAL

Are You A Student in Grades 9 – 12?

(This Also Counts Towards Assignment #5 For CLC 11!)

Explore your options at this **FREE** [green collar career conference](#) for secondary students on **Saturday February 11, 2023 from 9:00 - 2:30** held virtually this year.

The "green economy" is changing the face of the workplace in BC and around the world. This day is dedicated to students in secondary school to learn about exciting and endless career opportunities. Futures is much more than a career fair as it allows you to interact with career mentors from various sustainability related careers who have excelled in and are passionate about their green careers.

This interactive career workshop will be offered free of charge to 150 young people and will allow participants the opportunity to:

- Meet and interact with amazing and successful people who will share their sustainability career paths in breakout sessions where career mentors will share their career journeys
- Learn about emerging sustainability career opportunities in B.C. and internationally
- Listen to an inspirational keynote address from Marissa Bergeron, founder of Eat the Dishes: Zero waste street food
- Find out what it takes to reach your goals

The workshop will conclude with a wrap-up session and a chance for the participants to win prizes, including a **\$500 scholarship**. You must be registered to attend. [Register early as space is very limited.](#)

Hi everyone! Please continue reading if you are interested in learning more about coding . . .

- **What:** A taste of Coding Workshop! Interested in coding but not sure if you want to commit to a whole course just yet? This is the perfect chance to dip your toe into the wild world of coding! In this workshop, students will be introduced to some basic coding concepts, and have a chance to experiment with an on-line *Python*-based coding program.
- **Who:** Anyone is welcome
- **When:** Today, Friday, February 3 during Flex
- **Where:** Room 116 (Mr. Hunter's room)

UBC SAUDER SCHOOL OF BUSINESS – University Experience Panel

Saturday, February 11 from 1:45 - 3:30 pm – Sign up via link below

This event is organized by current students and alumni of high schools across the Lower Mainland through the support of Convergence BC.

The University Experience Panel is an event aimed at providing all high school students — especially those in **Grades 10-12** — experience and advice on navigating through post-secondary, information about what makes a post-secondary program and institution unique, as well as opportunities to ask

questions about post-secondary. Each year, the University Experience Panel focuses on one faculty, and this year we have invited **3 UBC Business students and alumni** to talk at our panel.

The event will take place on **Saturday, February 11th from 1:45 PM – 3:30 PM PST**. It will be hosted **online on Zoom**. Period 4	1: 53pm – 3:05pm

GENERAL

FOOD SAFE LEVEL 1: is being offered at Moscrop in the library from 12:00 pm to 4:00 pm on March 8th & March 9th as an in-school field trip – students **MUST** attend both days. There is a written test at the end of the **March 9th afternoon**. To receive certification, students must achieve a mark of at least 70% on the exam. This course is **open to all students from Grades 8-12**. The cost for the course is **\$50.00** (includes instruction, workbook, and certificate from the Fraser Health Authority). This **fee is payable in cash or cheque (made out to Moscrop Secondary School) or through the School Cash Online system**. On February 6th at lunch permission forms may be picked up outside room 329. **Starting February 8th payment is accepted at the main office or online. Bring permission form and the receipt of payment to Room 329.** Forms/receipts can be given to any Home Ec teacher in Room 329. Both a completed form and a receipt for payment are required to be added to the course list. Space in the course is limited to only 25 students – please sign up quickly to ensure your spot! **Food Safe certification is highly sought by employers throughout Western Canada.** It is designed to teach food handlers about the causes and prevention of food-borne illnesses. Students receive a certificate upon successful completion of the course. Due to the serious consequences of food-borne outbreaks, many employers in the food service industry are requiring their staff to take the Food Safe program. Many employers now insist you have this training before applying for a job. *Ms. Greenside*

SOCIAL JUSTICE 12- As you all know, this month is Black History Month, a time when we honor the legacy of Black People and their communities in Canada. Join us over the next few weeks by participating in a scavenger hunt, a gallery walk, a Kahoot and lots more! Check out Moscrop Student's Government's Instagram next week for more details! *Ms. Clowers*

JERSEY SALE is coming back **this Friday, Feb 10th**. Come down to the large gym at lunch to buy your Moscrop Merchandise. All items are **CASH ONLY** and will range from **\$1-\$10**. Hope to see everyone there! *PE Leadership 10/Mr. Sprackin*

BCIT INFO SESSION - BCIT is holding their annual information session on **Wednesday, February 15th from 4-6pm**. BCIT will **also be having a Zoom Info Session** the following week (**Feb 22**) from **4-7pm**. This is a great opportunity for high school students to get a sense of all the different programs that BCIT offers! For more info and to register: <https://www.bcit.ca/event/big-info-2/> *Ms. Vancic*

Explore your options at this **FREE** [green collar career conference](#) for secondary students on **Saturday February 11, 2023 from 9:00 - 2:30** held virtually this year.
The "green economy" is changing the face of the workplace in BC and around the world. This day is dedicated to students in secondary school to learn about exciting and endless career opportunities. Futures is much more than a career fair as it allows you to interact with career mentors from various sustainability related careers who have excelled in and are passionate about their green careers.
This interactive career workshop will be offered free of charge to 150 young people and will allow participants the opportunity to:

- Meet and interact with amazing and successful people who will share their sustainability career paths in breakout sessions where career mentors will share their career journeys
- Learn about emerging sustainability career opportunities in B.C. and internationally
- Listen to an inspirational keynote address from Marissa Bergeron, founder of Eat the Dishes: Zero waste street food
- Find out what it takes to reach your goals

The workshop will conclude with a wrap-up session and a chance for the participants to win prizes, **including a \$500 scholarship**. You must be registered to attend. [Register early as space is very limited](#). Ms. Dato

FOOD SAFE LEVEL 1: is being **offered at Moscrop in the library from 12:00 pm to 4:00 pm on March 8th & March 9th as an in-school field trip – students MUST attend both days**. There is a **written test** at the end of the **March 9th afternoon**. To receive certification, students must achieve a mark of at least 70% on the exam. This course is **open to all students from Grades 8-12**. The cost for the course is **\$50.00** (includes instruction, workbook, and certificate from the Fraser Health Authority). This **fee is payable in cash or cheque (made out to Moscrop Secondary School) or through the School Cash Online system**. On **February 6th at lunch permission forms may be picked up outside room 329**. **Payment is accepted at the main office or online**. **Bring permission form and the receipt of payment to Room 329**. Forms/receipts can be given to any Home Ec teacher in Room 329. Both a completed form and a receipt for payment are required to be added to the course list. Space in the course is limited to only 25 students – please sign up quickly to ensure your spot! **Food Safe certification is highly sought by employers throughout Western Canada**. It is designed to teach food handlers about the causes and prevention of food-borne illnesses. Students receive a certificate upon successful completion of the course. Due to the serious consequences of food-borne outbreaks, many employers in the food service industry are requiring their staff to take the Food Safe program. Many employers now insist you have this training before applying for a job. *Ms. Greenside*

SOCIAL JUSTICE 12- As you all know, this month is Black History Month, a time when we honor the legacy of Black People and their communities in Canada. UBC SAUDER SCHOOL OF BUSINESS

University Experience Panel. Saturday Feb 11: 1:45-3:30 pm - Sign up via link below

This event is organized by current students and alumni of high schools across the Lower Mainland through the support of Convergence BC.

The University Experience Panel is an event aimed at providing all high school students — especially those in **Grades 10-12** — experience and advice on navigating through post-secondary, information about what makes a post-secondary program and institution unique, as well as opportunities to ask questions about post-secondary. Each year, the University Experience Panel focuses on one faculty, and this year we have invited **3 UBC Business students and alumni** to talk at our panel.

The event will take place on **Saturday, February 11th from 1:45 PM - 3:30 PM PST**. It will be hosted **online on Zoom**. To learn more and sign up, students can fill in this Google

GENERAL

ATHLETE OF THE MONTH...JANUARY - January was a very busy month with basketball games, table tennis competition, ski/snowboard races, and gymnastics. All 11 teams competed in January and there were several athletes who had quality performances, showed excellent dedication, and had great sportsmanship. For the month of January, 5 students were nominated for Athlete of the Month: Congratulations to the following athletes for being nominated:

- Zeke Shackelford (Grade 11...Senior Boys Basketball)
- Eliana Kim (Grade 9...Junior Girls Basketball)
 - David Wu (Grade 12...Gymnastics)
 - Luciana Brewer (Grade 11...Gymnastics)
- Pharrel Casison (Grade 10...Junior Boys Basketball)

Congratulations to LUCIANA BREWER for being awarded as the Athlete of the Month for January!!

Luciana Brewer came first in her level at the Moscrop Invitational Gymnastics competition. She worked very hard every practice, was laser focused, and did not waste a second of her time. She often helped fellow teammates with floor routine choreography. She always helped with gymnastics equipment set up and take down and would regularly stay until the end. She displayed consistent optimism during each practice and competition. Well done Luciana!

Luciana now needs to see Mr. Spracklin in the PE Office to claim her t-shirt, Sport Chek gift card, and have her photo taken for the awards cabinet in the foyer.

MOSCROP FEMINIST EMPOWERMENT CLUB-Hey Moscrop! **Moscrop's Feminist Empowerment Club** will be showcasing some installations of impactful literature and poetry by **feminist authors!** This will be happening **every Wednesday today** at **FLEX** in the **multi**, make sure to check us out. *Ms. Boan*

The ACE Microcredential: Introductory Design and Technical Skills for Architecture, Construction & Engineering is launching the pilot intake this summer July 10-Aug 4/2023. **(tuition free!)**

The School of Construction and the Environment faculty have been working on an impressive curriculum (draft framework attached)with on-campus learning and site visits anchored with strong connections and support from industry.

Towards the end of the Microcredential BCIT will encourage successful students to apply for the ***paid 1 year work integrated program*** (Sept) with part time studies courses and again it will be tuition free. BCIT has been lining up employers and feel this is an amazing opportunity for both students and industry.

The ACE Microcredential: Introductory Design and Technical Skills for Architecture, Construction & Engineering is launching the pilot intake this summer July 10-Aug 4/2023. **(tuition free!)**

The School of Construction and the Environment faculty have been working on an impressive curriculum (draft framework attached)with on-campus learning and site visits anchored with strong connections and support from industry.

Towards the end of the Microcredential BCIT will encourage successful students to apply for the ***paid 1 year work integrated program*** (Sept) with part time studies courses and again it will be tuition free. BCIT has been lining up employers and feel this is an amazing opportunity for both students and industry.
