ATHLETE OF THE MONTH...FEBRUARY

- all Winter sports completed their regular seasons of play in February, while Table Tennis Provincials took place last week, and Gymnastics athletes are still competing in Provincials this week. For the month of February, four students were nominated for Athlete of the Month: Congratulations to Emily Kim (Grade 12 - Basketball), David Wu (Grade 12 - Gymnastics), Jasmine Wong (Grade 12 - Gymnastics), and Kyle Lam (Grade 10 - Gymnastics) for their nominations.

Congratulations to Emily Kim for being awarded as the Athlete of the Month for February!!

Based on the last couple of years, it appears that Emily plays her best basketball in February. She was instrumental in the Senior Girls Basketball teams' extended playoff run this season - leading the team on the court as the primary point guard. She was a scoring threat both from beyond the arc and at the net and when not scoring, she distributed the ball to her teammates to give them open shots. Her ability to withstand pressure while reading the situation on the court combined with her ball handling skills allowed the team to break the full court presses that our opponents threw at the team in most of their playoff games. For her consistent and high-level performances in games, Emily received an All-Star medal for her play in the district playoffs. Congratulations Emily!

Emily now needs to see Mr. Spracklin in the PE Office to claim her t-shirt, Sport Chek gift card, and have her photo taken for the awards cabinet in the foyer.
