ATHLETE OF THE MONTH...NOVEMBER - As many of the Fall sports wrapped up in November, there was a great deal of excitement and success. Many athletes had excellent performances, demonstrating fantastic dedication, and great sportsmanship. For the month of November, 8 students were nominated for Athlete of the Month. Congratulations to the following student-athletes for being nominated:

- Amber Lau (Grade 9 - Jv Girls Volleyball)
- Maya Gomes (Grade 10 - Field Hockey)
- Tony Wu (Grade 11 - Sr Boys Volleyball)
- Dennis Moschopoulos (Grade 12 - Sr Boys Volleyball)

Congratulations to Amber Lau for being awarded as the Athlete of the Month for November!!
Amber played a crucial role on the Juvenile Girls volleyball team, leading the team with her offensive plays. Amber was dominant when it came to scoring during a game. From any set, she was able help to turn it into a point for her team. It didn’t matter who they were playing, you could see that she was one of the stronger players on the court. She attended every practice, game and team meeting with a positive and open mindset. She was dedicated to becoming a better player, and it was clear by the amount of effort and work she put in at practice. We believe that Amber's skill, mindset, and attitude lead the team further during playoffs and in the Zones! This resulted in great progress for the team as a whole. We're proud of you Amber!
Amber now needs to see Mr. Spracklin in the PE Office to claim her t-shirt, Sport Chek gift card, and have her photo taken for the awards cabinet in the foyer.
