Vancouver Train Expo: Largest Train Show in British Columbia (Model Train Exhibition)
This weekend Moscrop featured its 4-years-in-the-making model railway layout at the Vancouver Train Expo, the largest model rail show in British Columbia.
IMPRESSIVE! Aidan and the students did a ton of work on Friday night moving the train display down to the PNE Forum and getting it all set up. It was one of the best displays in the show. Well done 👍

November 8th is Indigenous Veteran’s Day.
Why do we honour Indigenous Veterans specifically on this day? Imagine fighting in a war and returning home. You are granted benefits, including farmland as a thank you for your sacrifice. Now imagine fighting in a war and returning home. You are denied benefits, you are not thanked, and your land is expropriated- or taken away from you - to give to other veterans that you fought alongside. Not only this but you are also denied voting rights at the time, as well as full citizenship as “Canadians”. This is what many Indigenous veterans experienced after the First and Second World Wars.

Indigenous Veterans day is about acknowledging this experience of not only being not thanked for their sacrifice, skill, and commitment, but also for the mistreatment that occurred upon returning home. Indigenous Veterans day is about finally honouring those that sacrificed so much. For more information scan the QR codes on the posters around the school and display outside the office.
