FOOD SAFE LEVEL 1: is being offered at **Moscrop in the library** from **12:00 pm to 3:30 pm on March 7th and 8th** – students **MUST** attend both days. **Please note, this is a certificate issued by the local Health Authority.** To be successful, students need to achieve 70% on an exam with 50 multiple choice questions. This is a closed book exam with a time allotment of 1 hour. Students will need sufficient reading and comprehension skills to be successful in this course. For example, students should be earning (or have earned) a standing of developing in a regular Grade 8 science course.
Spaces for the course are now closed, thank you to all who signed up.

Food Safe certification is highly sought by employers throughout Western Canada. It is designed to teach food handlers about the causes and prevention of food-borne illnesses. Due to the serious consequences of food-borne outbreaks, many employers in the food service industry are requiring their staff to take the Food Safe program. Many employers now insist you have this training before applying for a job. Students receive a certificate upon successful completion of the course. Ms. Greenside, Ms. Leung & Mr. A. Hunter

ARE YOU INTERESTED IN BECOMING A MEMBER OF THE STUDENT GOVERNMENT!? If you enjoy planning events, aspire to be the voice and leader of your student body, and are passionate about making a positive impact on both the Moscrop community and beyond, then this opportunity is for you! **Apply to run in the grade 8-11 elections scheduled for Monday, April 8th.** Student Government is a 4-credit course held outside the regular timetable, right after school on day 2's. Applications, calendar dates and information will be available starting Monday, February 12th, outside room 116. Make sure to carefully follow all the rules and refrain from any early campaigning, as it may result in immediate disqualification. We are excited to receive your applications!
